NOTE 1

Thessaloniki - Alonissos refers to a direct ferry line from Thessaloniki.

In case there is no direct line, the course will take place from the port of Volos!

NOTE 2

Due to few days of your program, we can skip the full day cruise in Skiathos and be more relaxed in Alonnisos. We can add a great hiking in Alonnisos instead with stops for traditional coffee and sweets! (to be honest, it is preferable to skip Skiathos. Otherwise it is preferable to have a less night in Alonnisos and one night in Skiathos)
